**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential subscriber of Sonic who uses unbundled copper to provide service. Please do not proceed with dismantling key components of the 1996 Telecommunications Act thereby hurting smaller businesses and limiting consumer choice. We should be doing everything we can to increase competition in the marketplace and dismantling these key components only allows large companies like ATT to monopolize the industry.

Thank you,
